Hi Jordan,

This predetermination report has been received by the DAHP. No formal review of this project has been undertaken at this time.

Thank you for your time,

PS—sorry for the delay. DAHP is down several staff people and we're trying our best to keep up on things as they come in.

To DAHP: A predetermination report for the La Center Hotel project area has been uploaded under DAHP Project 2024-02-01460 and is ready for review. Our investigation did not identify any cultural resources, and we have provided recommendations for no further archaeological work and adherence to an Inadvertent Discovery Plan. When you are able, please provide proof of receipt by “replying all” to this email.

Thank you,

-----
