

**2025 RFQ 4<sup>TH</sup> STREET/BREZEE CREEK CULVERT REPLACEMENT  
CLARIFICATION #1  
June 20<sup>th</sup> 2025**

Consultant questions and responses from RFQ for consultant services:

- (1) *Number of pages allowed in RFQ?* 10-pages total, using double sided pages, resulting in 20 pages of information will be allowed.
- (2) All pages shall be 8 ½" by 11" size. No other page size shall be used.
- (3) All materials testing in the construction project, as required by the special provisions for this project, will be paid for by the city. However, the consultant will need to coordinate the testing with the contractor. The consultant shall include the scope of work of testing coordination, and the bills for testing will be sent to the city. The city will need to approve the testing agency during negotiation.
- (4) Three hard copies of the proposal, as listed in the RFQ, and one PDF version shall be delivered to City Hall by the deadline listed in the RFQ.
- (5) The contract between the city and the consultant will be a WSDOT Local Agency Professional Services Agreement, since federal funds are being used to fund the construction and consultant cost. The contract format will be Negotiated Hourly Rate per the RFQ.
