A. INTRODUCTION

The City of LaCenter welcomes the opportunity to discuss proposed development projects with applicants prior to the preparation of land use applications. If you have any questions after reading through this information, please contact the Community Development Department staff at 360.263.3654

When is a pre-application conference required?

Pursuant to Section 18.30.020 of the City of LaCenter’s Development Code, unless otherwise expressly provided in this title, all applications subject to Type II, Type III, or Type IV review are subject to pre-application review unless the director waives the requirement in writing on a form provided by the city clerk for that purpose.

The applicant shall submit the pre-application materials to the city clerk.

The city discourages waiver of the pre-application process. In the event that the director waives the pre-application review, the pre-application waiver form shall state that waiver of pre-application review may increase the maximum time for review for technically complete status and may increase the risk that the application will be rejected, or processing will be delayed.

What is the purpose of a pre-application conference?

- A pre-application conference is intended to acquaint the City, outside agencies, and service providers with the potential application, and to acquaint the potential applicant with the requirements of the Development Code, Engineering Standards, and other relevant criteria and procedures.
- A pre-application conference is not intended to be an exhaustive review of all potential issues.
- A pre-application conference is intended to be informational only and is not an approval in any manner of your proposal. A pre-application conference does not preclude the City from enforcing all applicable regulations or from applying regulations in a different manner than may have been indicated in the pre-application conference report.

Notice of the proposed pre-application meeting shall be posted on the City Hall bulletin board.
3. The pre-application conference shall be scheduled at least seven but not more than 21 calendar days after the notice is mailed or otherwise conveyed.
