RE: Land Use Application: ATC 43501 – Generator Add
Site Location: 30901 NE Timmen Rd, Ridgefield, WA 98642

American Tower Corporation is making an application for a Land Use / Zoning Permit to add a generator to an existing wireless telecommunications facility at the site location above.

Enclosed are the following items for your review:

- Master Land Use Application (w/ letter of authorization)
- A copy of the engineer's Construction Drawings
- Tank Specifications / Installation Drawings
- Standard Enclosure – Measured Sound Level Data

Please contact me for credit card or check payment for any fees due. If you need any further information, please let me know.

Thank you,

Julia Creech
