RE: NWS- 2016-540 Highland Terrace Subdivision, La Center, Washington-
401 Water Quality Certification Review

Please find the following documents enclosed for your review as part of our Nationwide Permit (NWP) 29 application for Highland Terrace Subdivision, submitted on behalf of the applicant, Felida Rose, LLC:

- Joint Aquatic Resource Permit Application (JARPA) and accompanying figures, Revised June 2019
- Critical Areas Report and accompanying figures, Revised June 2019
- Mitigation and Bank Use Plan and accompanying figures, Revised June 2019

The Corps of Engineers Seattle Office will also receive the above documents for 404 Permit Review for the NWP 29.

Please feel free to contact me if you have any questions or if you need hard copies regarding the above submittal.

Sincerely,

Kate'Lyn Wills
Biologist/Environmental Scientist IV

cc: Chris Sundstrom, Felida Rose, LLC.
