

SEPA DETERMINATION OF NON-SIGNIFICANCE
Proposed Accessory Dwelling Unit Code (File # 2020-029-ZON/SEPA)

Description of proposal: As required by Washington Senate Bill 6617, the City of La Center proposes to adopt a new code permitting the construction of accessory dwelling units (ADUs) in all zones within the city where detached single-family residences are permitted. The proposed code would allow one ADU on each detached single-family residential lot within the city in conformance with certain development standards including minimum lot size, setbacks, minimum ADU size, height limits, architectural compatibility with the primary unit, and adequate parking. Although the City would permit ADUs on detached single-family residential lots if the new code is adopted, homeowners associations can prohibit ADUs through covenants, conditions, and restrictions (CCRs).

SEPA Determination: NOTICE IS HEREBY GIVEN that, the City proposes to adopt a new code allowing for ADUs and has filed a SEPA checklist describing the environmental impacts of the new code. Based on a review of that proposed ADU code and associated SEPA checklist, the City of La Center issued a **Determination of Non-Significance (DNS)** for this proposal pursuant to the WAC 197-11-340 and the La Center Municipal Code (LCMC 18.310). An Environmental Impact Statement is not required under RCW 43.21c.031(1).

Any person has the right to comment on this SEPA DNS, receive notice of and participate in any hearings, and appeal the final decision on the code amendment. Written comments submitted by November 13, 2020 at 5:00 PM will be considered. Please send comments to the City of La Center, 305 N.W. Pacific Highway, La Center, WA 98629 or by email to Sarah Dollar, Permit Technician at sdollar@ci.lacenter.wa.us.

Application: City of La Center Proposed ADU Code (File # 2020-029-ZON/SEPA)

Proponent/applicant: City of La Center, contact: Ethan Spoo, Consulting Planner, 305 NW Pacific Highway, La Center, WA 98629. Phone: (360)263-7665.

Location of proposal: The proposed ADU code would apply to all properties in zones permitting detached single-family residences.

Public Hearing: La Center Planning Commission meeting, November 10, 2020 6:30 p.m. Meeting will be conducted virtually using the City's GoToMeeting online platform. See hearing notice issued separately.

Existing Environmental Documents relied upon: The State Environmental Policy Act (SEPA) requires that a review of the potential environmental impacts be conducted. City staff and interested agencies reviewed the proposal for compliance with applicable state requirements and city codes.

The following environmental documents were relied upon in the City's determination of a DNS: SEPA Environmental Checklist dated, October 22, 2020. A complete copy of the proposed code amendments and the SEPA Checklist associated with this determination are available by contacting Public Works Staff, Sarah Dollar, Permit Technician, at 360-263-7665.

Statement of Determination: As lead agency under the State Environmental Policy Act (SEPA) rules [Chapter 197-11, Washington Administrative Code] the City of La Center must determine if there are potential significant adverse environmental impacts associated with this proposal. The options include the following:

- Determination of Significance – (DS) The impact cannot be mitigated and therefore require the preparation of an Environmental Impact Statement (EIS).
- Mitigated Determination of Nonsignificance – (MDNS) The impact can be mitigated through conditions of approval, or;

- Determination of Nonsignificance – (DNS) The impacts can be addressed by applying the city codes.

Approval Standards/Applicable Laws: La Center Municipal code section 18.30 (Procedures). Additional state and federal law(s) may also apply.

Mitigation Measures: The review of the SEPA checklist associated with this proposed code amendment did not recommend any mitigation measures.
