

Brenda Schwartz Property
625 Aspen Ave
La Center WA 98629

Description of the planned design;

The property at the address above will be a two-story new construction home/ bed and breakfast. With a craftsman architectural style. Accompanied with black architectural asphalt shingles, cedar shakes in the gables, hardy plank siding and wood trimmed windows. Along with craftsman molding around the front door. The front entry will have a covered porch with large windows.

The primary color of the home will be a dark blue color that will be well lit with down turned lights to accent the craftsman style.

All the mechanical and electrical equipment will be hiding behind bushes, along with a fenced back yard.
