**Questions:**

Pre-Application conferences address issues related to landuse, building, engineering, fire and utilities. Please list specific questions or issues unique to your project that you would like to discuss at the conference.

- 1.) Because this project is a learning activity for students at La Center High School and because it is to be a facility that educates students, community members, and visitors to La Center (at no cost to the visitors), we respectfully ask for the city of La Center to waive or reduce some or all of the permit expenses, and hereby ask for assistance in doing so.
- 2.) How will we be contacted for our Conference?
- 3.) How many project representatives may attend the Conference?
