3.4.6 Easement to Governmental Entities. There is hereby reserved and granted a non-exclusive easement over the Common Area to all governmental and quasi-government entities, agencies, utilities, and their agents for the purposes of performing their duties within the Property.

3.4.7 Maintenance Obligations/Owner Restrictions. Except as otherwise provided in this Declaration, the Owner, at the Owner's expense, shall maintain, repair, and replace the improvements and utility installations in any Lot Easement Area in a condition acceptable by the Board and shall hold the Association harmless from any such costs.

**ARTICLE 4**  
**LOTS AND HOMES**

4.1 Residential Use. Lots shall be used for residential purposes only, except as otherwise required by RCW 64.90. Except with the consent of the Board, no trade, craft, business, profession, commercial, or similar activity of any kind shall be conducted on any Lot, nor shall any goods, equipment, vehicles, materials, or supplies used in connection with any trade, service, or business be kept or stored on any Lot. Nothing in this paragraph shall be deemed to prohibit: (a) activities relating to the sale of residences; (b) the right of Declarant, any contractor, or home builder to construct residences in any Lot, to store construction materials and equipment on such Lots in the normal course of construction, to use any residence as a sales office or model home for purposes of sales, promotion, and development, and to maintain on site a temporary construction office or trailer; and (c) the right of the Owner of a Lot to maintain the Owner's professional or personal library, keep the Owner's personal business or professional records or accounts, handle the Owner's personal business or professional telephone calls or confer with business or professional associates, clients, or customers, in the Owner's residence, so long as such activity is not observable outside of the residence, does not significantly increase parking or vehicular traffic, or is in violation of applicable local government ordinances. The Board shall not approve commercial activities otherwise prohibited by this paragraph unless the Board determines that only normal residential activities would be observable outside of the residence and that the activities would not be in violation of applicable local government ordinances.

4.2 Construction. Except for construction performed by or contracted for by Declarant, no construction, reconstruction, or exterior alterations shall occur on any Lot unless the approval of the ARC is first obtained pursuant to Article 6. Consideration such as siting or location on the Lot, shape, size, color, design, height, solar access, or material may be taken into account by the ARC in determining whether or not to consent to any proposed work. Such work includes, but is not limited to, Homes, ADUs, storage shelters, swimming pools, spas, landscaping, greenhouses, patios, fencing, basketball hoops, or remodeling. The intent of this covenant is to ensure quality of workmanship and material and harmony of external design with the existing and planned structures as to location and visual compatibility and finish grade elevations. All construction must comply with the City of La Center Code and Building Code Standards. Original construction designs, materials, and product specifications by Declarant may vary from any or all specified in this

IN WITNESS WHEREOF, the undersigned being the Declarant herein, has executed this instrument this 22nd day of February, 2024.

G2 INVESTMENT GROUP, INC., a Washington corporation
