

#### **LaCenter Road Widening RFQ Survey Scope Summary:**

Applicant shall provide the following surveying services to facilitate the preliminary design of roadway improvements on NW LaCenter Road from the intersection with NW Paradise Park Road to the beginning of the bridge spanning East Fork Lewis River:

1. Establish a control network to be used as the basis of measurements for this phase and future phases of this project.
2. Determine the location of existing right-of-way lines of NW LaCenter Road and side streets along the project corridor based on records and field recovered evidence.
3. Map, planimetrically, the limits of pavement and striping of NW LaCenter Road and side streets along the project corridor.
4. Produce and verify an elevation model of the project corridor using the WA Department of Natural Resources 2023 LiDAR Dataset.
5. Length of road survey is approximately a mile and  $\frac{1}{2}$ .

Please reach out to Tracy Coleman, Community Development & Public Works Director @ [tcoleman@ci.lacenter.wa.us](mailto:tcoleman@ci.lacenter.wa.us) with any questions.

Please submit your qualifications, by December 19, 2025 at 2:00 PM.

We will reach out by January 9<sup>th</sup> to the select firm.

Please limit your qualification proposal to 6 pages total.

Please include the timeframe to complete the task, upon NTP.
