COMMUNITY CENTER AND PARK USE RULES

The Community Center and park grounds are here to serve our community. *Your assistance in maintaining the Community Center Building and park grounds during your event are sincerely appreciated by all community members who share your use privileges. Reminder – there is no smoking allowed at any of our city parks.*

COMMUNITY CENTER BUILDING

- **Decorating:** Please do not use any tacks, nails, staples, etc., when decorating for your event. If you need to hang decorations, please use special tape that will not damage the walls when removed. Candles are not allowed, unless approved in writing, by a City employee for religious ceremony. Flameless, battery-operated candles are okay.
- **Key:** The key must be picked up before 5:00 p.m. the last working day prior to your event. If you do not pick up the key, there will be no one available to give you access to your rental space. The key only fits the front door of the community center. We request that if you open and unlock other doors during your event that you check carefully before leaving the building and make certain that they are all locked before you leave. Please return the key to La Center City Hall after your event. There is a black drop-box located on the left as you enter the City Hall parking lot, near the stone garage.
- **Equipment:** There is a television screen and an HDMI outlet for the tv located on the wall under the television. Please bring your own HDMI cord, as we can not guarantee there will be one available. There are no speakers or sound system. A 45-cup coffee maker and a separate hot water dispenser are available for use in the kitchen. You must provide your own coffee filters. If you use these items please return them in their original condition.
- **Cleaning Supplies:** The Community Center is furnished with paper towels, trash bags, toilet tissue, mops and brooms (*located in the janitorial closet next to the men's restroom*). Please provide additional supplies for large group use.
- **Trash:** All trash must be removed from the building when you are finished with your event. Please do not leave any trash or recycling in the kitchen cans or on the premises. All trash needs to be placed in one large garbage sack and disposed of in the blue dumpster outside of the Community Center building.
- **Lights & Heaters:** One light stays on permanently. The other lights are controlled from a switch located beneath the breaker panel in the kitchen area. Please do not enter the breaker boxes. For additional heating or cooling, please locate the thermostat next to the men's restroom. Please remember to reset the heater to the original temperature when you leave. The ceiling fan is controlled by the bottom switch near the front door.
- **Cleaning:** Please make certain that you clean the building after your event. Tables, chairs, and countertops must be wiped cleaned and restored to their original placement. The kitchen area should be cleaned, including all appliances, as well as sweeping and mopping. Please do not leave any food in the refrigerator. Please check the restrooms and make certain they are clean and all trash removed. The building will be inspected and signed off by our Public Works Department. If they deem the building is left uncleaned, your cleaning deposit will be processed. If clean-up after your event is more than \$50.00, you will be responsible for the difference.
