## COMMUNITY CENTER AND PARK USE RULES

The Community Center and park grounds are here to serve our community. Your assistance in maintaining the Community Center Building and park grounds during your event are sincerely appreciated by all community members who share your use privileges.

### **COMMUNITY CENTER BUILDING**

- **Decorating:** Please do not use any tacks, nails, staples, etc., when decorating for your event. If you need to hang decorations, please use special tape that will not damage the walls when removed.
- **Key:** The key is picked up the last working day prior to your event. The key fits the front door only. We request that if you open and unlock other doors during your event that you check carefully before leaving the building and make certain that they are all locked before you leave. Please return the key to La Center City Hall after your event. In the parking lot, there is a lock box to the left of the front doors for this purpose – simply drop the key in the box.
- **Equipment:** There is a pull-down projector screen and a HDMI outlet for the projector located to the right of the door to the back room (southwest corner). If the projector or ceiling fan does not turn on, the switch by the double doors that is labeled “do not use” needs to be flipped. There are not any speakers or sound system.
- **Cleaning Supplies:** The Community Center is furnished with paper towels, toilet tissue, mops and brooms (*located in the men’s restroom*). Please provide additional supplies for large group use.
- **Trash:** All trash must be removed from the building when you are finished with your event. Please do not leave any trash or recycling in the kitchen cans or on the premises. All trash needs to be placed in one large garbage sack and disposed of in the blue dumpster outside of the Community Center building.
- **Lights & Heaters:** One light stays on permanently. The other lights are controlled from a switch located beneath the breaker panel in the kitchen area. Please do not enter the breaker boxes. For additional heat, please locate the thermostat next to the men’s restroom. Please remember to reset the heater to the original temperature when you leave. The ceiling fan is controlled by the bottom switch near the front door.
- **Cleaning:** Please make certain that you clean the building after your event. Tables, chairs, and countertops must be wiped cleaned and restored to their original placement. The kitchen area should be cleaned, including all appliances. Please do not leave any food in the refrigerator. Please check the restrooms and make certain they are clean and all trash removed. The building will be inspected and signed off by our Public Works Department. If they deem the building is left uncleaned, your cleaning deposit will be processed. If clean-up after your event is more than \$50.00, you will be responsible for the difference.

### EXIT CHECKLIST

- ✓ Are the building and grounds clean?
- ✓ Have all decorations and tape been removed?
- ✓ Are dishes, utensils, and appliances clean?
- ✓ Has the trash been removed?
- ✓ Have the floors been swept and mopped?
